FORMAL LEARNING PROGRAMME

The teachers at Panda Pre- School, first and foremost teach the children about the Lord Jesus and His saving grace. Each class begins every day with a Bible story. Praise and Worship Prayer. We also offer compulsory computer lessons which is included into the school fees. All three groups i.e. junior, intermediate and senior groups are required to complete a formal school readiness programme, each one according to their own level and age. Parents of children in the intermediate and senior groups are expected to buy a workbook. This book will not be taken home until the end of the year. The books are ordered from the school as all pupils use the same book.

Our little ones who attend Panda Pre-School are automatically accepted into Hazyview Primary School when they are ready to go to Grade One.

A SAFE, SECURE ATMOSPHERE

A child who feels safe and secure will be able to develop a positive self-image and will have confidence. Each teacher is expected to give support, encouragement and love to each child. The child is encouraged to participate in a variety of "hands on" learning activities. A classroom routine will help to create a positive and secure atmosphere in the school. Children will have the opportunity of learning basic computer skills aswell.

Thank you for entrusting your child to us at Panda Pre-School. We undertake to do our best to make your child feel welcome and loved. We pray that the Lord Jesus will bless every child and staff member.
